Simplified Investment Opportunities

The world of investments resembles an **exclusive** club in which only a minority **gain access and outperform?**

Private Investment Sector

01

High initial capital barrier

Lack of optionality

Difficulty in managing fractured investments.

Opportunities like a technology interface

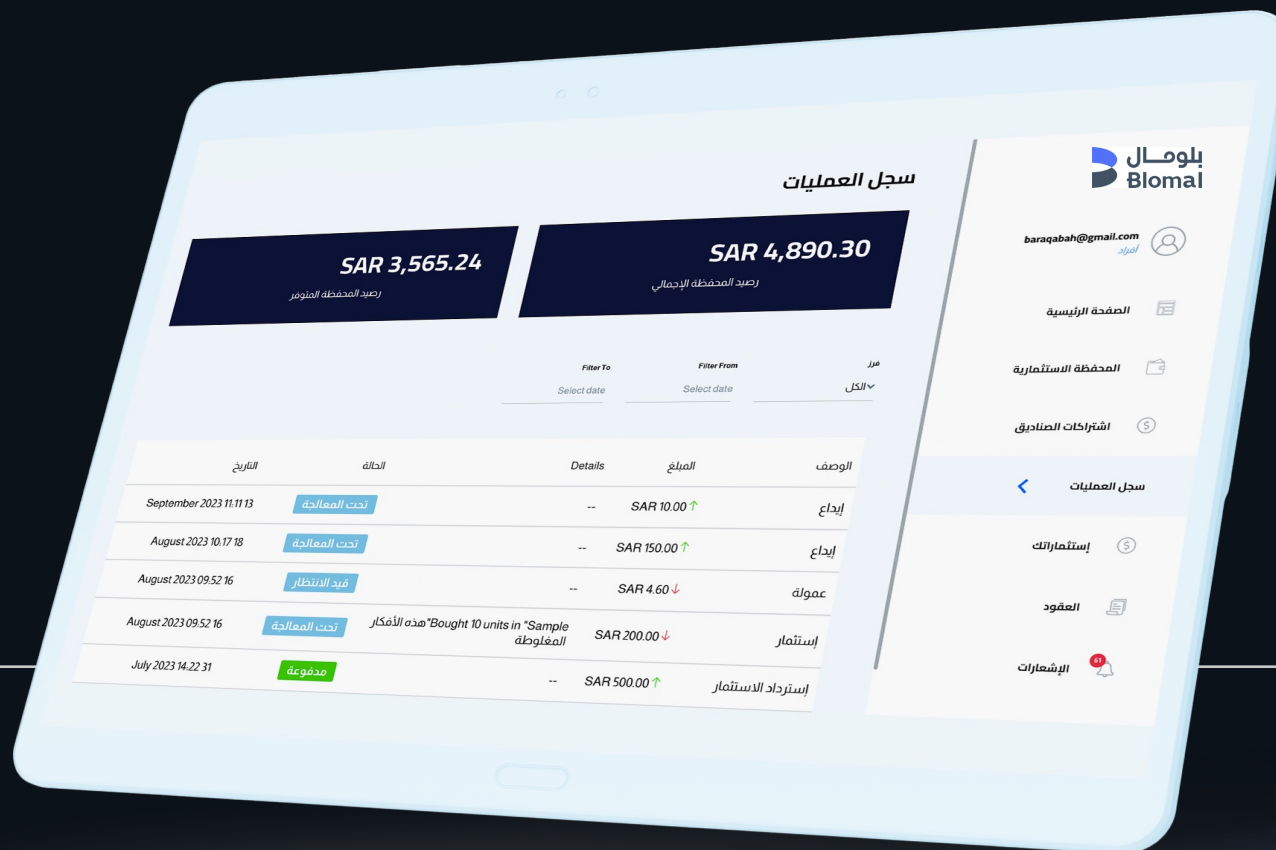

Public Investment Sector

02

Accessing market data

Know-how gaps

Haigh Advisory Cost

Private Markets

100 SAR Entry Point

Diverse Investment Deals

Variety of Fund Managers

Access to open & closed
Private Funds

Public Markets

Guided Ai Model to Assist with
Portfolio Creation

Pre-analyzed Market Data

Aggregated portfolios

Portfolio Rebalancing

Private Markets

Flat Subscription fee of 1% to 2% from all funds (once)

Flat Referral fee from asset managers of 0.5% to 1%

Advisory services

B2B solutions for open banking investment accounts

Public Markets

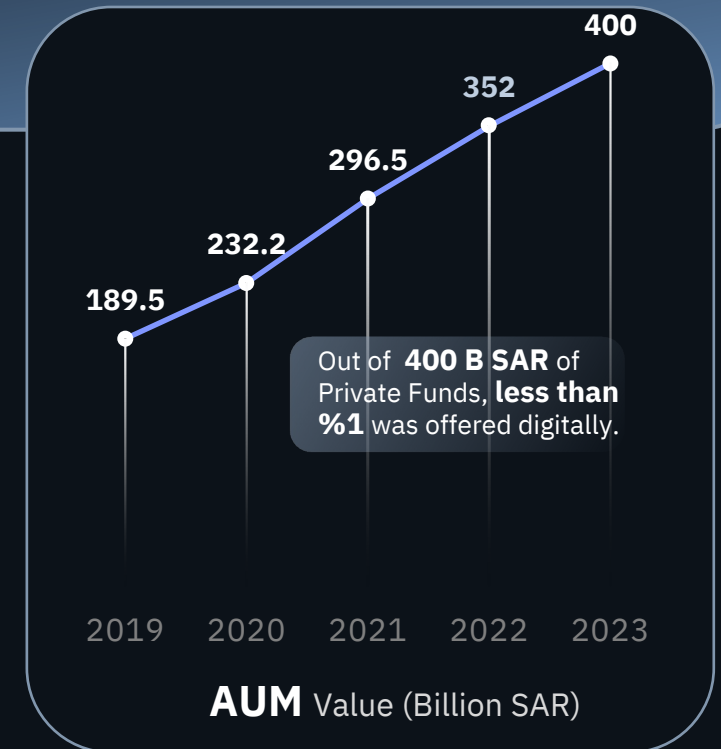

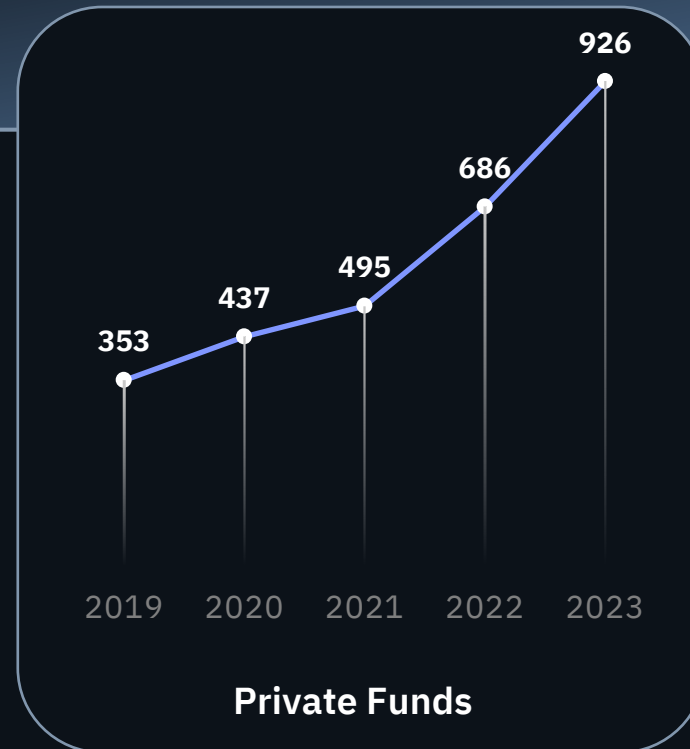

Tiered Subscription Model
3-tiers Subscription model.

Referrals from new brokerage accounts

Advisory services

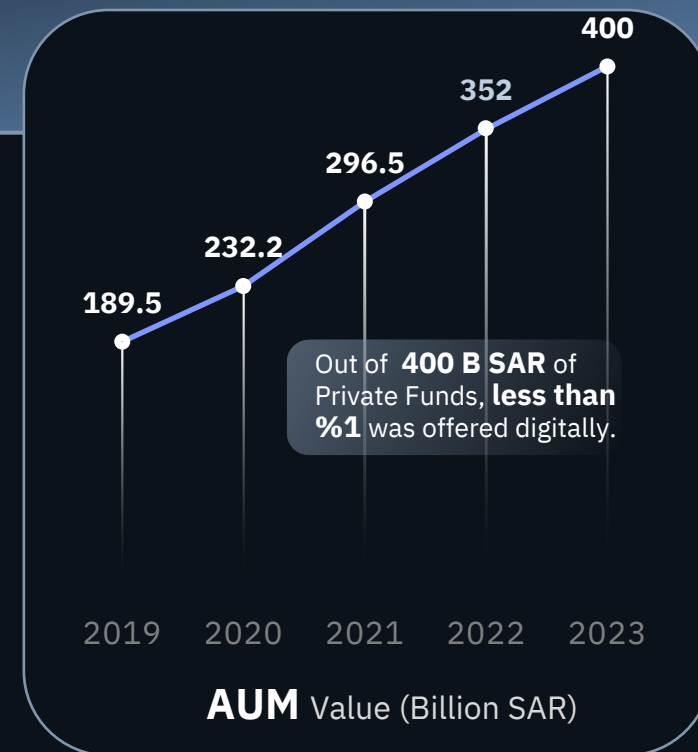

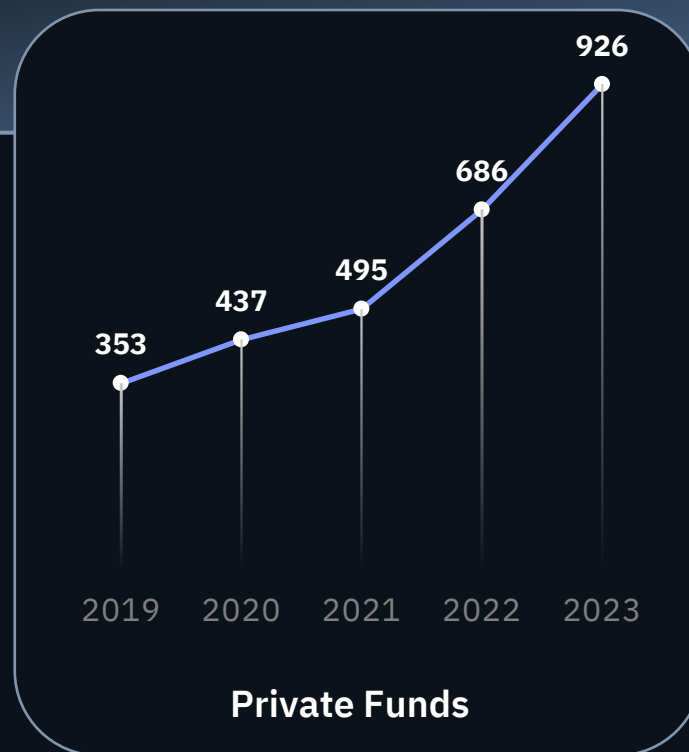

B2B solutions for open banking investment accounts

Private Funds

Private Funds

- Trade Finance
- Revenue-based financing
- Pre-IPO
- Corporate debt
- Venture Capital
- Real-estate
